INTERESTS

SPORT

I enjoy all team sports and play table tennis and futsal at my leisure time.

COMPUTING

I have always had the passion for computers and the internet and I always try my best to be updated with the technologies around me.

MUSIC

I am a guitarist. I have been playing the electric guitar (rhythm and lead) for over eight years.

ART

I draw at my leisure time. It's something I've always done since I was a child and has been my hobby ever since. In junior high school, my artwork helped my school come second in an art competition which was themed on cultism.
